### ABOUT SEIDRKATTS® ORACLES

Seidrkatts® Oracles were born from a desire to bring mystical insight into everyday life.

Each envelope contains a handcrafted oracle card, created with intuitive symbolism, deep emotional wisdom, and the signature Seidrkatts® aesthetic.

This is divination in its most accessible form, simple, beautiful, meaningful.

Whether your customers are seeking guidance, reassurance, or a moment of connection with themselves, these cards offer a gentle entry point into intuition.

### WHAT'S INSIDE EACH SEALED ENVELOPE?

- One Seidrkatts® Oracle card: rich, painterly artwork with Norse-inspired styling
  - Guidenotes sheet: a clear, grounded message and a simple way to work with the card
  - Mini welcome leaflet: introducing readers to the world of Seidrkatts®
  - Gold wax seal: Tree of Life emblem for strength, connection, and awakening
- Each envelope is individually packaged and intentionally curated.

No two pulls are ever the same.
